Nº 37

Actas del 1462
al 1465

Taller de Empleo "Recuperación de Patrimonio"
Archivo Municipal de Plasencia

Handwritten text in a historical script, likely a form of Latin or a related medieval language. The text is arranged in several paragraphs, with some lines appearing to be headings or section markers. The script is dense and cursive, typical of medieval manuscripts. The document is heavily stained and damaged, with significant portions of the text obscured by dark, irregular marks and holes in the parchment. The text is written in a dark ink, and the parchment itself is aged and discolored.
